1.2 Please read these terms carefully before you submit your order. These terms and conditions (the “Terms”) tell you:

1.2.1 who we are;

1.2.2 how and on what terms the Retailer will supply the new vehicle to you;

1.2.3 how and on what terms Stellantis Financial Services will provide you with the finance for the purchase of the new vehicle;

1.2.4 how you and we/Stellantis Financial Services/Retailer may change or cancel your order;

1.2.5 your rights on withdrawing from your finance agreement with Stellantis Financial Services; and

1.2.6 what to do if there is a problem with the purchase of the new vehicle and other important information.

2 ROLES OF US, OUR RETAILERS, AND STELLANTIS FINANCIAL SERVICES

2.1 For Cash and Finance Purchases

If you order your new car through the Website, our role is to take you through the online order process and allow you to place an order for a new vehicle. You must nominate a Retailer who will supply your new vehicle to you. You will need to collect your new vehicle from your Retailer free of charge.

2.2 For Finance Purchases Only

The Website provides an online order process to enable you to arrange finance with Stellantis Financial Services (which will require you to be directed to a Stellantis Financial Services website where further information will be obtained by Stellantis Financial Services) and, if accepted, place an order for a new vehicle with the Retailer, who will supply your new vehicle to you. You may collect your new vehicle from your Retailer free of charge.

Where you order a new vehicle, we and the Retailer act as the credit broker in respect of the Finance Agreement (defined below), and Stellantis Financial Services is the lender if your application is accepted by Stellantis Financial Services.

When we act as a credit broker we may either introduce you to other credit brokers (vehicle retailers) or to Stellantis Financial Services (acting as a lender) and we may receive a fixed commission for these introductions or no commission at all. The vehicle retailer (acting as credit

broker) may receive from the lender a commission, fee or other remuneration typically. This may be in the form of a standard amount e.g. based on a fixed fee or fixed interest rates, campaigns or targets agreed between Stellantis Financial Services and the credit broker.

Alternative finance products may be available with different commission amounts and/or arrangements. For more details, or if you think this will affect your decision to enter into an agreement, you should ask Stellantis Financial Services for further information.

2.3 If you order a vehicle on the Website you will be required to:

2.3.1 agree to these terms;

2.3.2 sign the relevant contractual documents with Stellantis Financial Services including the terms and conditions associated with the finance of your selected vehicle (together the "Finance Agreement");

and

2.3.3 sign any Retailer documents with the Retailer (together the "Retailer Terms") which set out the terms and conditions which governs the sale of your selected vehicle.

2.4 You will be asked to agree to be bound by these terms when placing your order of the new vehicle. These terms are a legally binding agreement between you and us.

3 ORDERING YOUR VEHICLE ONLINE

3.1 For Cash Purchases

If you have chosen the cash payment option to order your vehicle online, you must be over 18 years of age at the date of ordering your vehicle and will be subject to money laundering checks.

3.2 For Finance Purchases

If you have chosen the finance payment option to order your vehicle online, you must be over 18 years of age at the date of ordering your vehicle and any finance provided by Stellantis Financial Services is subject to status. Stellantis Financial Services may require a co-applicant depending on your credit history. Before submitting your order, you will be asked to complete an application process to verify your identity and complete a credit assessment. You will need to provide certain information about yourself and answer questions to Stellantis Financial Services' satisfaction. If your application is declined or cannot be processed by Stellantis Financial Services, you will be sent an email with further details. If your application is successful, you will be sent an email which will allow you to complete your order online. You will be required to complete the relevant contractual documentation for the finance product either at your chosen Retailer or by post. When your vehicle is nearly ready for you to collect from the Retailer you will receive an email which will direct you to a website operated by Stellantis Financial Services in order to review and sign the Finance Agreement.

If you do not wish to use the online process, please visit your local Retailer who may help you. Your local Retailer will make available the same new vehicle offers and discounts as are set out on our website in addition to their usual offering, and will allow you to pay for your new vehicle by cash or

through any other finance option that they may make available from time to time which will be subject to status and terms and conditions.

4 AVAILABILITY OF OUR WEBSITE TO ORDER VEHICLES

The Website can be used to order vehicles for collection in England, Scotland, Wales and Northern Ireland by customers with (1) a valid and up-to-date driving licence, and (2) reside in the UK. Unfortunately, we do not accept orders from or delivery to addresses outside the UK.

5 ORDER PROCESS

5.1 When placing an order using the Website your order will be acknowledged online but will not be confirmed until the steps below have been completed. We will assign a reference number to your order and tell you what it is in your order acknowledgement email. Please be prepared to tell us the reference number whenever you contact us or the Retailer about your order.

5.2 For Cash Purchases

All documentation relating to the purchase of your vehicle will need to be completed at the Retailer's premises. Completion of your order and delivery or handover of your new vehicle is conditional on you signing those documents and providing the relevant information requested by the Retailer. Once you have signed all the documentation provided by the Retailer, a contract will be formed between you and the Retailer for the purchase of your new car.

5.3 For Finance Purchases

You may be required to complete certain documentation at your Retailer's premises, and you will be required to sign the Finance Agreement through a digital signing process once your vehicle is being prepared for handover. Completion of your order and handover of your new vehicle is conditional on you signing your Finance Agreement with Stellantis Financial Services.

Once Stellantis Financial Services has confirmed acceptance of your signed Finance Agreement, a contract will be formed between you and Stellantis Financial Services for the finance and use of your new vehicle. If your order cannot be accepted for any reason we or the Retailer will inform you of this and let you know of any other ways by which you can obtain your new vehicle.

Our order process allows you to check and amend any errors before submitting your order or finance application. Please take the time to read and check your order at each stage of the application and order process.

6 FINANCE FROM STELLANTIS FINANCIAL SERVICES

6.1 You are required to pay the agreed deposit (as set out in the Finance Agreement) directly to the Retailer and make the agreed monthly payments to Stellantis Financial Services for the agreed period of time (from 25 to 48 months) in accordance with the Finance Agreement.

6.2 Further terms relating the finance of the vehicle will be set out on the Stellantis Financial Services website and your Finance Agreement. If you have any further questions in relation to the

supply of finance or the Finance Agreement, please contact Stellantis Financial Services directly on online-sales@stellantis-finance.com.

7 VAUXHALL ONLINE STORE PRICING

7.1 When you order a vehicle through the Website, you will be provided with information about the price of your vehicle at different stages of your online journey, depending on what options or extras you select.

7.2 At the start of your journey, the price displayed against your selected vehicle will be the “OTR price” (which means the Manufacturer’s Recommended Retail Price) with our store discount already applied (“Vauxhall Store Price”).

7.3 All information and prices are correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government). Please see our prices and specification guides or contact your local retailer for the most up-to date prices and specification details for all models.

7.4 As you continue through your online journey, you will have the option to personalise your selected vehicle. If, through the course of this process, you adjust certain options or add extras to your selected vehicle, the price of such options or extras (fully fitted) will adjust the Vauxhall Store Price accordingly. Should you wish to add options or extras to your selected vehicle which are not available on the Website, please contact us or your local retailer to discuss further.

7.5 As you continue through your online journey you will be asked to choose your preferred retailer from a list of participating retailers. Your Retailer may, at its absolute discretion, offer a further discount to the Vauxhall Store Price, if an additional discount is offered by the Retailer this discount will be shown on our Website after selecting your Retailer. Therefore, the price set out in your order summary on the Website may be less than the Vauxhall Store Price displayed at the start of your online journey.

8 THE VEHICLES

8.1 The vehicles available to order through the Website are from our current manufacturable range and will be built to order to the specification selected by you.

8.2 The images of the vehicles and the size and dimension icons and indicators on the Website are for illustrative purposes only. 8.3 Each vehicle on the Website will show an anticipated minimum and maximum delivery lead time. These timings are an estimate only and based on current stock positions, and is always subject to change. Please note – orders that contain optional extras are likely to be new factory orders, which will delay the availability of the vehicle. If you are considering ordering a vehicle on the Website and

- on arrival at your address there is no clear and safe place for your Retailer to park your new vehicle; and/or
- conditions at your home address fail to meet reasonable health and safety standards, or where delivery would put your Retailer at risk of injury or death.

10.4.6 You are required to provide your Retailer with proof of your identity and address and copies of your proof of identity and address upon delivery of your vehicle. Your Retailer will verify these documents before your vehicle is released to you and your Retailer will retain the copies you provide.

We will ask you to confirm whether you wish to go ahead with the change within 5 working day of our response to your request to change your order. If we do not hear from you within this time, we will proceed with your original order, without the change.

13.3 If we cannot make the change or the consequences of making the change are unacceptable to you, we or your chosen Retailer will contact you, via email or telephone, to advise you of your options.

13.4 We may, from time-to-time, make minor changes to our vehicle specifications to implement small technical adjustments. We will not make any significant changes to your ordered vehicle unless we have told you about the changes and have obtained your explicit agreement to the significant change.

13.5 Please note that if you change your order you may also need to change your finance package and Finance Agreement or obtain finance from an alternative source.
